[REDACTED] Godfrey added that he is working with OCR to uncover two Communist documents upon which Salisbury may have based much of his coverage. DDCI suggested that he also look up a statement by a U. S. Naval officer quoted in the Washington Star around 27 December affirming the existence of military targets in the areas inspected by Salisbury. Carver called attention to coverage of the bombing by the Washington Post yesterday.

Godfrey said that NSA sent out new directives [REDACTED]. He called the DDCI's attention to a recently completed memorandum on Chinese missile patrol boats, indicating that they are now in serial production. In reply to a question from the DD/I, DDCI reviewed the Agency's position on NSA's procedures [REDACTED]

Carver reported the receipt of new infiltration figures over the weekend which he will disseminate to Walt Rostow. DDCI asked to see these.

Carver noted that he discussed possible Agency activity on political action in Vietnam with the appropriate CS officers. They will be meeting with Walt Rostow this week.

Warner noted that Senator Symington is due in New York tomorrow.
